BRING IT ON Continued.....

Summary

This gorgeous Princess V65 is one owner from new and has been maintained with no expense spared. The Large MTU engine (Full service history available) 1350hp each give the V65 her a Sporty performance. The excellent 3 cabin three bathroom layout makes her extremely comfortable for family cruising and is easily handled. Her powerful 80,000 BTU Airconditioning systems makes life very comfortable with plenty of car like vents at the helm position.

Principal Features

Three cabins with three heads	Extended hydraulic bathing platform
Larger MTU engine option (1360)	All new teak decks 2018
Crew cabin fit out	Hydraulic extended Passerelle
Bow and Stern Thruster upgraded	Williams 325 Jet tender

Construction

Hull: GRP – modified deep V with spray rails and propeller tunnels. Hand laid glassfibre construction with isophthalic gel coat backed by initial lay-up of powder bound matt and isophthalic resin

Side Deck: GRP – Teak laid deck new 2018

Superstructure: GRP white Hard top with opening section with windows and Blue air intakes on the sides

Cockpit/Bathing Platform: GRP – teak laid decks new 2018
